# envirotile®

The revolutionary new roof tile.  
**Lighter** to carry, **easier** to fix,  
**better** for the planet.

All together better

# WHY ENVIRO TILE?

The lightest, biggest roof tiles on the market with a unique interlocking system that makes any job quick and easy to fix.

Unbreakable, dry cut tiles made from 75% recycled materials save hassle and environmental impact.

Performing on pitches as low as 12.5 degrees and good for all structures that can't handle a lot of weight, Envirotile is perfect whatever the job.

So whether the problem roof is a main frame or a lightweight conservatory, Envirotile is the answer.

## UNIQUE INTERLOCKING SYSTEM

Perfectly positioned every time

**LOCK**

**FIX**

Simply secure with a screw
